# Multi-Stakeholder Initiatives Raw Materials

*Version 1. 28 06 2017*

FORAM

This draft document provides a list of initiatives linked to raw materials, where initiative refers to currently active multi-stakeholders group. The collection of information is on-going activity and is realised through open research (initiatives' websites) and an online questionnaire. Should you be interested in providing information on your initiative, please follow this link:
